AL-951 Attends Cadet Leadership Course

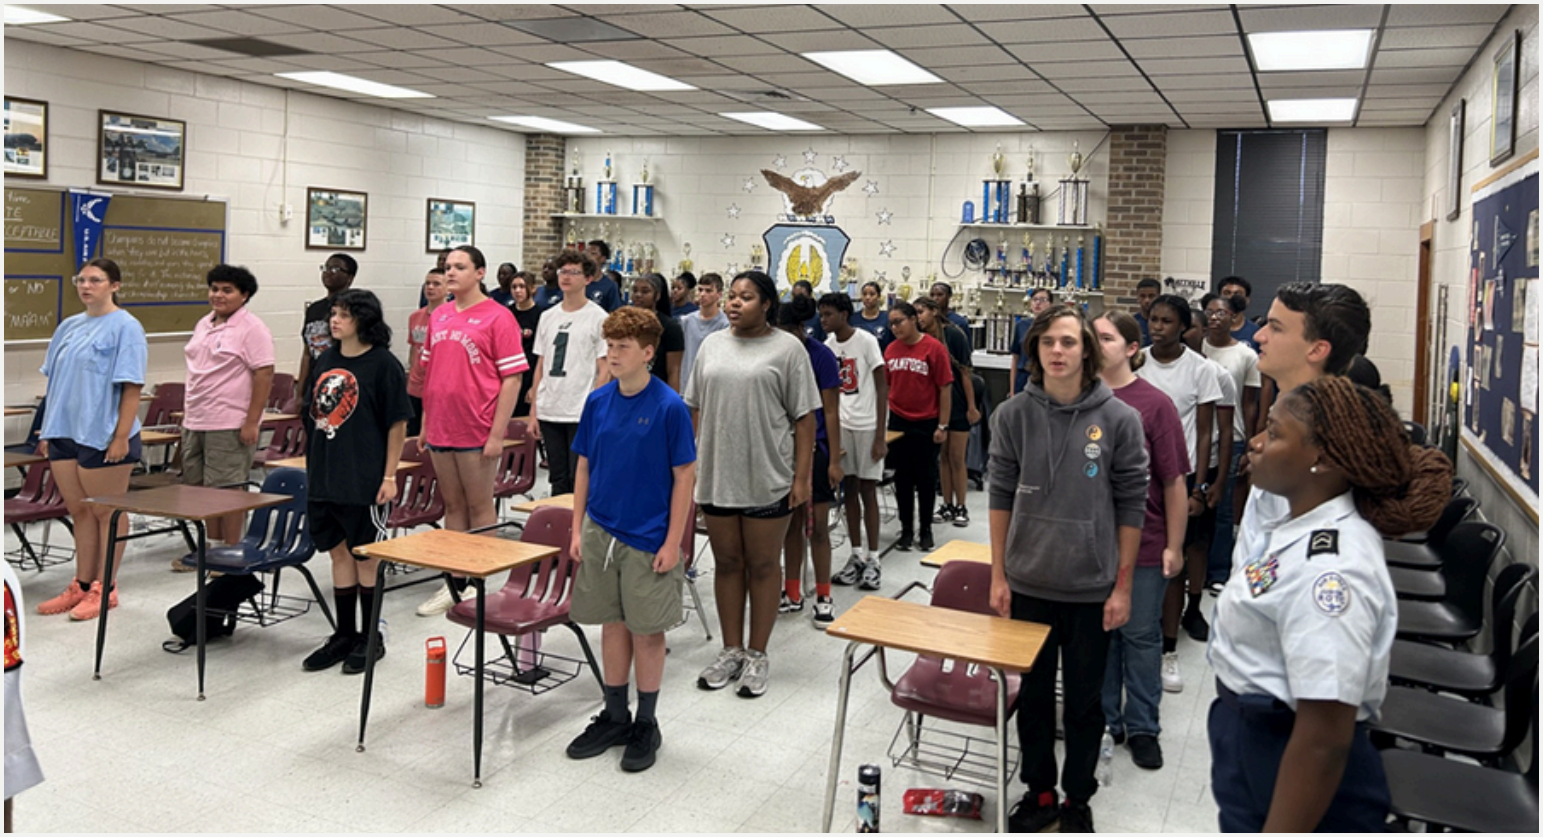

Prattville High School's (PHS) Air Force Junior ROTC (AFJROTC), Unit AL-951 earned 13 awards at the 2025 Southeastern Region AFJROTC Cadet Leadership Course! Camp Wolfpack, as it's more commonly known, is one of the country's premier JROTC summer leadership schools with the mission of preparing cadets for leadership roles in their units, schools, and local communities. This intensive leadership program is designed to make cadets better leaders, followers, and team members. These cadets received education and training in leadership, physical fitness, academics, athletics, drill and ceremonies, self-discipline, and group dynamics.

AL-951 Post Colors at ALPCAE Conference

AL-951 presented The Colors during the opening ceremonies of the Alabama Association for Public Continuing and Adult Education (ALAPCAE) annual conference at the Renaissance Montgomery Hotel & Spa at the Convention Center, Montgomery, AL.

AL-951 Host Summer Leadership School

Between 7-18 July 2025, AL-951 hosted our annual two-week Summer Leadership School (SLS) for students interested in joining JROTC. A total of 58 students participated in SLS. These students received extensive training on JROTC Flag Detail, Drill, Uniform Wear, Customs & Curtesy, Team Building, Leadership, Citizenship, and many other important JROTC subjects.

AL-951 Completes Community Service Project

On 10 July 2025, AL-951 volunteered a combined 175 hours of community service to lead a facility restoration project at our local, 400-member, American Legion Post 122 in Prattville, AL. We emphasize community service as a key component of our JROTC program, aiming to develop responsible citizens and instill a sense of civic pride. Cadets participate in a wide range of activities, contributing to both their school and the wider community. Our cadets have established a goal of completing 16+ hours of community service per cadet this year.

AL-951 Host Summer Drill Camp

Between 14-18 July 2025, AL-951 hosted our annual Drill Camp for students interested in JROTC drill. A total of 42 students participated in Drill Camp. These students received advanced training on JROTC Drill techniques.
