No spelling test this week!

****Spelling lists and study guides are posted on my webpage!**

This Week's Shoutout:

Kat!! Thank you for working hard every day and having such great behavior! You are amazing! ❤️

Lucas

Math:

We will be finishing Topic 2-Fluency Add and Subtract Whole Numbers in our Math book this week. We will test Thursday. Math books may come home and be used for extra practice but they must be returned each day. Please do not complete the study guides at home. We will use those each time before we test. Homework will come home nightly, it is the same type of spiral sheet they completed in 3rd grade. They will have time in class to complete this each day. They will only have homework if they did not finish in class.

AL History:

We will start working on AL History this week! We will be starting with early European colonization of North America. In the first Unit, students will describe cooperation and conflict among English, French, and Spanish colonists and Indigenous peoples over the fur trade, slave trade, and land claims.Students will also explain the triangular trade system, including the Middle Passage of the transatlantic slave trade, and describe the experiences of Africans before and after being kidnapped and forced into slavery.

This Week's Shoutout:

Emmie!! Thank you for working so hard each week and for being such a great classmate to your friends!!

Special Reminders

Check ParentSquare Daily!

September 11th- Grandparent's Lunch at 11:45 in the gym
